

National Rail Museum Site Visit

Tuesday 17th September 2019

To coincide with the RCEA co-sponsored North East Railway Forum meeting on 'Rail in the North East – Meeting the Challenges' we have arranged for a guided tour of the National Railway Museum in York for RCEA members beforehand.

This will provide an insight into the current workings of the museum, some of the key exhibits and how they are maintained. The tour will be lead by the Director XXX, to provide a personal insights into the world famous museum and its collection.

What better way to see the museum, with the visit for **RCEA members ONLY**.
